

Welsh Winter Fair 2011

The Welsh Winter Fair was helped along this year with the improved weather conditions. A huge amount of visitors visited both the show and the Blonde stand.

The baby beef class saw Adam Price from J J Price & Son, Newton St Margarets, Herefordshire pick up the 3rd place ribbon for his May born heifer, out of a Blonde cross dam and sired by a Mabon Blonde bull bred by GW & FW Jones from Pontypridd.

This pretty heifer was entered in the “Baby Show”, heifer class, weighing 425kg and under. Adam price was delighted both with the placing of “Rosa” and also with the performance of his Blonde bull at home.

DL & M Rogers & Sons were pleased with the 5th placing of their March 2011 born heifer in the same class, shown by grandson Nicholas Rogers. The heifer, Gabby Glamour Girl, was bred by the Rogers family, out of a British Blue cow and sired by Bridge Cracker Jack.
